

**Today's Memories,
Tomorrow's Future**

The first part of the paper discusses the importance of the research and the objectives of the study. It then presents a literature review of the existing research on the topic. The methodology section describes the research design and the data collection process. The results section presents the findings of the study, and the conclusion section summarizes the main findings and provides recommendations for future research.

The study was conducted in a laboratory setting, and the data were collected using a series of experiments. The results of the experiments are presented in the following tables:

Experiment	Variable	Value
1	Temperature	25°C
2	Pressure	1 atm
3	Volume	100 ml
4	Mass	100 g
5	Time	10 min

The results of the experiments show that the variables are related in a linear fashion. The temperature and pressure are directly proportional to the volume and mass, respectively. The time is inversely proportional to the mass.

The conclusion of the study is that the variables are related in a linear fashion. The temperature and pressure are directly proportional to the volume and mass, respectively. The time is inversely proportional to the mass.

Our Senior Boys' Greatest Memories

We were on our way to New Prairie when the "Warrior Wagon" broke down next to a cow farm. Twenty minutes later we were transported to New Prairie by a Ford Windstar minivan and a Buick Century. Three hours later I was down 2-0 in the first set. I went on to win that match. Thirty minutes later Danny Tomko hit a miracle shot, and we won a tournament for the first time since 1985.

- Billy Evans

The Cow Farm

The Warrior Wagon Broke Down

My favorite tennis memory is of the New Prairie Invitational. The day was good until the Warrior Wagon broke down in front of a manure farm. When we found a way to get to the match, we won the tournament with the score 3-2 in every match. Danny and I scored matchpoint in every match. I will never forget that.

- Kyle Krown

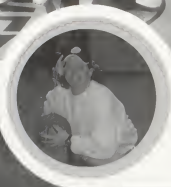

My favorite tennis memory is the New Prairie Tournament. It was nice to break down in front of an abandoned house and manure farm. We were late and Tuck and I still won all of our matches. The team won the tourney and Calumet wasn't on the trophy. Then the team went to Redmack's and we took their menus b/c they were B.A. It was awesome to go swimming at the Dunes in the cold water. Fun day. - Juan Flores.

Calumet Warriors, We're All For You!!!

The Warrior Season, with new coach Jeff Bean, was a "march" of improvement, culminating in a tough, hard-fought 7-0 loss to Hammond High in the second round of the state tournament. The Warriors avenged a regular season loss by defeating Hammond Clark in the tournament opener.

The Warriors record of 3-7 does not accurately reflect their play on the field. Everyone is looking for bigger and better things next year.

Warrior Wrestlers - You Can't Stop 'Em - You Can Only Hope to Contain 'Em.

The Warrior Wrestlers enjoyed another successful season, finishing 15-3 in duals. At their Chris Traicoff Invite, the Tribe went 3-2, to claim 10th in a tough field of 16 teams. At Mishawaka's Invitational, the Warriors finished a respectable 18th out of 32 teams. They placed 2nd at the Lake County Championships and in the Lake Athletic Conference finale, they finished 3rd with 12 wrestlers placing in the top 8. Four wrestlers advanced to the Semistate at Merrillville HS, but no one advanced to the State Finals for a disappointing 3rd season in a row. Five Warrior grapplers joined the "Century Club" this season, by recording their 100th career victories: Cyle Kasper; Brandon DelPrado; Aaron Frey; Joey Frey; and Mike Welch (Welch's 132 wins is a new CHS record). Dustin Denisiuk earned the team's MVP Award and narrowly missed joining the Century Club with 95 victories in just three seasons. Although next year's team looks to be young and relatively inexperienced, Coach Wadkins hopes to continue on the success earned this year, and perhaps win the first of many Greater South Shore Conference championships to come.

Top left: The Warriors celebrate with their trophy after finishing 9-0 in duals and earning 6 individual championships at the Caston Comet Super dual. Top right: Joey Frey, utterly dominating his opponent. Left: Clark and Gonzo.

VARSITY CHEERLEADING

We're not just flirts in skirts

It was another great year for the Calumet Cheerleaders. While every girl put their best effort in, this years captains were: Head Captain Emily Spencer, Varsity Captain Kayla Ketchum and Junior Varsity Captain Rachel McCoolley. This year showed how much they depend on each other. It's more like a family than just a cheerleading squad.

STATE - Here we Come!

The track team did an outstanding job this season! Freshmen Mercades Carey contributed alot to the team. Carey ran a great time qualifying for regionals but fell just short of making it to state. Brittany Wolak and Jasmine Berry contributed alot also, Berry running the 100m dash & hurdles and Wolak doing long jump. The girls team was very small and talented. We hope next year to have the same pride in our team as we did this year!

Our boys did an excellent jobs this season! Seniors Errol Sherrod and Fred Abrahm both qualfied for regionals in the 100m dash; also contributing was Darcell Ballentine and George Ezell helping in the 4x1m relay. Ezell also ran the 200. Michael Jordon qualified for the 1mile and 2mile, while brother Craig Jordan ran the 800. Our 4x1 relay team made it to state but unfortunately couldn't run as a team. After an injury, Ballentine was unable to perform and was replaced by Senior Deric Scott. We had alot of talent this year and hope to continue next year!

Left: Darcell Ballentine and the trainer take a quick picture at the Calumet Invite. Ballentine was out part of the season due to injury. What would we do without Jose!

You took chances one too many times.

As a child you thought -

"Oh no, never me." Life is a gift,
given and taken at some Unknown
time. Your time came too soon - Your
life was over in a flash.

The fun you shared, the joy you
brought, all just a memory - kept
close to our hearts...

We Love you!!

Bubba

Septemer 8, 1987

January 5, 2007

Some called him "Robert"
some called him "Bubba"
His personality was his trademark,
wherever he went.

A room would brighten
when Robert came in
'cause the first thing you saw,
would be his grin!

Not a second passes
when you're not on our minds
your love we will never forget
the hurt will ease in time

Petals' sleeping on the ground
marks the place our friend was found,
Although he's gone, he will never be
forgotten

You meant so much to all of us
You were special and that's no lie
You brightened up the darkest day
Your smile alone warmed hearts
Your laugh was like music to hear
I would give absolutely anything

To have you standing near
Not a second passes

When you're not on our minds
Your love we will never forget
The hurt will ease in time

Many tears we have seen and cried
They have all poured out like rain

I know that you are happy and its ok
but its no longer the same.

We Miss you!!

Senior Memories

My favorite memory of CHS is greeting Mr. Shimek every morning. Just seeing his bright face made me feel so good to be at school. He's a great teacher and he always helped me whenever I needed help.- Chrystal Weirick

Some of my fondest memories are crazy lunch discussions and the wild things we did in swimming. I'll always remember Calumet & the people I encountered while attending here.- Harmony Stevens

It's hard to only have one favorite high school memory. After all, your high school years are the best. But it would have to be the trip to Wisconsin Dells after PROM 2007; that was the most fun I've had while being in high school.- Emily Spencer

One of my best memories is how much fun I had with my friends. Another memory would have to be going to the basketball and football games. Some of the teachers here that I will always remember are Mr. Tauber and his speech he gave every Friday, and Mrs. Green and how she made learning fun.- Bradley Damron

I'll always treasure the memories from Calumet: Tennis groupies, Lake War, "Game night," Calculus everyone making fun of Billy for the "wife" and his hour long bathroom trip; the poems and puppets in English, and all of the writer workshops, PUSH weeks, sporting events, and Homecoming weeks.- Jessica Tomko

Greasy roads, no brakes to the face, Rocky Rumble,, Jasmine Taylor, The Nikki's, the Mr. Keehns, Hawaiian skirts - and I'll never forget tripping down every stairwell.- Britteney Jackson

My senior year has been awesome, mostly because I've met the world's greatest friends and spent late nights playing twister with them. The best memories are spent with my twister gang and most of all with Jeremy. I'm happy I had all of them to make senior year fun.- Nykki Kurek

The one thing I'm going to miss the most is the teachers. They are Mrs. Lee, Mr. Shimek, and I can't forget about Mr. Drake. They all made learning fun and helped me get through school.- Jennifer Kelly

The fondest memory of high school for me would be when I was a freshman and I was one of the first freshmen to record a triple-double with 32 points, 15 rebounds, and 12 assists, while Fred Abram ended the game with 35 points.-Leon Lewis #33

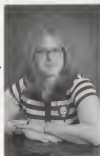

Freshmen year, I looked at this place and it seemed like forever until I'd be free. I have realized now, I should've enjoyed it more. Time flew by and I'll never forget my time here at Calumet. People say these are the best years. However, I believe the best years are yet to come...-Melissa Tigner

My memories of high school are driving home with Kayla with her car making sounds, Tatiana pushing me over because I had her Skittles, working the blood drive and decorating the auditorium for homecoming.- Katelynne Taborski

"Mrs.Nicks, you're a dork." "Billy, ISL!" "But, I just sneezed!" "Rocky." Chuck Norris. "If you punch a girl in her stomach, will you break her eggs?" "Be a water molecule." Mr. Keehn's calculus class, dodgeball, floats, and minks! - Jennifer Hester

My favorite memory of high school is my Sophomore year homecoming pep-rally. We were facing Kankakee Valley High School and at the pep-rally, the drama club put on a play. It's story was Warrior Tribe vs. Cougar Tribe and I did my Cougar sound in front of everyone.- Samantha Guernsey

Greasy roads, no brakes to the face. The Rocky Rumble. Cady's ditch. Being two time state qualifier and regional champ in XC. Sliding down a hill at semi-state. Rubics cube float. Dodgeball. Janell. ISL. Inspector Gadget.-Eddie Rico

My favorite Senior memory is the Powderpuff Game. The best part was playing against my sister and meeting new people. The play I will never forget is when my sister ran 99 yards. I wish I could play again!- Shannon Stapleton

One of my memories from high school was when I was in drama class. We entered a contest for the best decorated class with the Colts logos all around; thanks to Savannah O. for helping out big time! -John McInerney

My four years at Calumet were phenominal. What I'm going to miss most is swimming. I was a swimmer for four years and every year I progressed. I will never forget how my sister said "The money ate my machine." We had our fun times throughout it all.- Amanda Galligo

I've had many memories in high school. My best memories are in softball. My freshman year me, Kyla Graig, Amy Reiser, and Kayla Wolak, had the "CRC." "We do what we want!" The softball team ripping off Kayla Wolak's underwear on the bus. Noelle Jones breaking her wrist off the pitching machine and her falling over the bench at Kankakee Valley. Prom of 2006! - Nicole Harding

Senior Memories

My fondest memory has to be the fight in Mrs. Nicks' class during Junior year. Tiesha and Silverine were really going at it, but we wouldn't dare leave our worksheets unfinished! Hey I wonder how Tiesha's pinky's feeling. -Alexis Ortiz

My most memorable High School moment was last year's Boys Sectional Basketball Game against Hammond Clark. We were down the whole game and then in the fourth quarter we tied it up, to go into double overtime. Both, Tony Harris and Dyami Thurman made big shots. The game inspired me to never give up and remember how important it is to prove people wrong. - Whitney Sanders

I remember a feild trip which I learned you can't beleive everything you see. In a parking garage in Chicago, a low ceiling was mislabeled, and the van's roof caved in. It was only dented, but if it had been lower, we might have had a Warrior Wagon convertible. - Elizabeth Simons

My favorite memory would be my sophmore year on the swim team. It was Coach B's birthday so Randi and I baked a cake, but it wasn't done in the middle and predator ate it anyway. Then we had a huge food fight. That's my favorite memory. Kathy Jo Haynes

I will always remember the friends that I made in high school and the friends I made in middle school. I am going to miss Spirit Week, dressing up and looking all crazy. The football games, prom, and hanging out with my friends. The person I am going to miss the most is Mrs. Brooks because she was always there for me when I needed to talk and gave me advice when needed. - Crystal Proto

My "ballinest" memory of my high school career was my freshman year. I scored 43 points in a game and that's including 8 3 pointers, while Leon Lewis had 18 assists. If you don't beleive it, go ask Coach Cross. Gotta love my junior girls.

- Fred Abram (Pentalope)

My favorite memory of high school is performing at half-time during senior night. marching in the 2005 Thanksgiving Parade in Chicago, being on prom court, and the homecoming pep rally of 2006.- Tatianna Solis

My favorite memory is from
 Sophomore year in Mrs. Lee's class.
 It's when Mrs. Lee and Chuckie
 would get into many little fights
 about his sleep or attendance. He
 would just look up and smile, and she
 would forget about the whole
 argument. R.I.P. Chuckie! I miss you!
 - Amber Olin

What I'm going to miss the most is all
 of all my friends. The fun times in
 the halls, the classes, all the rough
 times with being in love. But most of
 all I'm going to miss all the drama;
 but those were the best days.- Alyssa
 Hartman

I will miss all my friends because we have
 been through alot of things together -
 and accomplished them too. I will miss
 playing tennis my 10th grade year
 because I learned alot about the rules,
 and just having fun. The two teachers I
 am going to miss are Mrs. Lee and Ms.
 Green. - GNaun Haymon

In high school you really do learn
 who your friends are. My best
 memory of high school involve my
 friends. They have been there
 through everything: Girls nights.
 Egging people and playing frisbee.
 Parties. Open houses. Drama.
 BLACK OAK.Growing up too
 fast.Following senior boys around
 with Kayla Camp. My best memory
 overall is having the best of friends
 and most amazing boyfriend to make
 more memories with! Rip.Robert I
 love you!.-Rachell Davis

My freshman year was the greatest!! I
 had the greatest friends and my big
 brothers were here too. I would
 always follow this boy Kevin
 Kwasniewski around. But hey, I was
 a freshman, so what can I say. Until
 my sophomore year when I met Ryan
 Litke, which is my best memory yet!
 Kayla Camp

Remembering Nick throwing up in
 the pool."On the 4th of July,
 remember to look at that
 phosphorus." Tan Power! No vayas
 Alli! Mrs. Nicks saying she can get a
 dork whenever she can. A fight in Bio
 II with pink weaves flying
 everywhere. Falling up the stairs.
 Warrior Pride.-Juan Flores

For the most part my friends. Mrs.
 Patak, Whisler and Keehn because
 you can't have one without the other.
 Wadkins class and Dance. Chuckie
 and Robert because these were our
 last years together. You won't be
 forgotten! Seeing Roberts smiling face
 everyday! and mostly I'm going to
 miss Kyle. I will miss him more than
 anything.We've been through a lot
 together.-Linda Lopez

My best memory is when I sang the
 National Anthem and I got a huge
 appluase!-Justin Ray

In Loving Memory of Jessica Janusas

I say goodbye

Our childhood years
have come and gone
with no time left
we must move on

I've watched you
change
with everyday
you took on shape
then flew away

We've both grown
up
and its been fun
this final test
then we'll be done

You landed here
within my heart
thats where you'll stay
always a part

Can we survive
our final day
though we both wish
that we could stay

I hope that we
can find a way
to build our friendship
more each day

How do we cram
a hundred dreams
a million laughs
and lots of screams

Though it is hard
and makes me cry
with no regrets
i say goodbye

Into just 15 years
that flew so fast
we fought so hard
to make them last

A Word From the Yearbook

Advisor: Mr Brugioni

This yearbook almost never happened. As a new yearbook advisor, I faced myriad challenges, including lack of equipment (we didn't have a working camera until October or computer access until December), lack of experience, and student apathy.

There were bright spots, however. As the year progressed, the yearbook staff pulled together (with the notable exception of John Chalabis) and created something out of nothing. Most valuable staffer Emily Spencer created a few excellent pages, and sophomores Cindy Lucas and Michelle Lulinski sacrificed great amounts of their own time to make sure everything came together. Freshman Corinne Keller also stepped up and delivered. This is a simple yearbook - with few frills or bells. But I hope you enjoy it for what it is, and consider the huge odds that were stacked against its completion.

Have a good day!

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1 million (Office for National Statistics 1999). The number of people aged 65 and over is projected to increase to 6.5 million by 2011, and the number of people aged 75 and over to 3.5 million (Office for National Statistics 1999).

There is a growing awareness of the need to develop services to meet the needs of older people, and a number of initiatives have been developed to address this need. The Department of Health (1999) has published a strategy for older people, which sets out the government's commitment to improve the lives of older people. The strategy is based on three main principles: (1) to ensure that older people have the opportunity to live independently and actively; (2) to ensure that older people have access to the services and support they need; and (3) to ensure that older people are treated with respect and dignity.
